DETAILED ACTION

Information Disclosure Statement

1. This Office Action is a supplemental notice of allowability to acknowledge the receipt and confirm consideration of the prior art submitted by Applicant on July 18th 2006. The IDS has been considered and entered and made of record. Applicant previously requested an acknowledgment of receipt of the IDS in a correspondence on June 15th 2006. The Examiner could find no record of the IDS originally submitted with the original filing of the application on February 8th 2002. Applicant therefore resubmitted the IDS on July 18th 2006 along with the certificate of mailing indicating that the IDS had indeed been filed on February 8th 2002. The IDS was erroneously not made of record in the file, but has been entered and fully considered with the resubmission of the IDS in this supplemental Office Action.
